

Autism Project

Onside Lifelinks service helps people to become involved in their community.

What we can do.

- We can help you to do the things you enjoy.
- We can help you meet new people.
- We can tell you about information and support for you and your family.
- We can help you to learn new skills.
- We will provide you with ongoing support.
- We will help you to find out about things in your local area.

The Autism Project is specifically for people who are on the Autistic Spectrum and feel they would like some help.

Autism Project: the aims

Build confidence.

Learn and develop new skills.

Meet new people.

Develop independence.
