HOW TO SWISH

Swishes have recently become one of the most fashionable ways to refresh your wardrobe without harming the planet or your purse. Visit WWW.SWISHING.COM for more info.

At our SWISH fundraising event for Onside, you are helping us raise funds to support locally disadvantaged and vulnerable people to live better lives.

Follow us on Facebook (@onside independent advocacy) for more information about our fundraising.

HERE'S HOW IT WORKS

1 - All you need to do is bring at least one item (max 5) of quality women's and childrens clothing (ages 0-6), shoes, or accessories. These can normally be found lurking in the back of the wardrobe waiting to be re-discovered, or are still in their original bags, with tags.

WE WELCOME GOOD QUALITY CLOTHES (NO PRIMARK ETC.). ALL ITEMS MUST BE IN GOOD, CLEAN, IRONED AND WEARABLE CONDITION ON A HANGER.

2 - The SWISH doors open at 7pm and you can bring your SWISH items to The Crown & Sandys from 6 pm onwards. Alternatively you can drop your items directly to the Onside team at our Charles Street offices (WRI 2AQ).

3 - You will be given a token for each item you bring. When the SWISH begins you simply swap your tokens for something you like. 1 token = 1 SWISH item. Swap adults for adults, and children's for children's.

4 - From 7.30pm - 8pm enjoy styling tips from Jane Brook. 8 - 8.15pm it's time to enjoy a drink and look at the clothes and accessories available, picking out what you'd like to go for. There will also be pop-up shops for you to browse.

5 - 8.15pm SWISH starts!!! When the bell rings it's time to SWISH. Good luck and remember the rules of the rail - no scratching, spitting or fighting!!

6 - Towards the end of the evening, and if there are still clothes left you would like to see hanging in your wardrobe, extra tokens can be bought for £2.

7 - Any clothes remaining at the end of the evening will be sold to raise funds for Onside.
