 **ONSIDE**  
PASSIONATE ABOUT EQUALITY

**We are looking for people to become a Relevant Person's Representative (RPR)**

**We are seeking volunteers who are passionate about making a difference to the lives of vulnerable people**

- **An RPR is an independent person who 'looks out' for an older or disabled person living in a care home - making sure they are getting the right care and support and are being treated fairly**
- **The people you may visit will be receiving care, are vulnerable and often have communication difficulties for many reasons such as dementia, learning disabilities or difficulties following a stroke or other physical conditions**
- **You will try to understand the person you are supporting and encourage everyone involved in their care and support to see the "whole person"**
- **This is a brilliant opportunity to support someone in your local area**

## A Relevant Person's Representative (RPR) can see a person for who they still are

**During her 20's, June loved dancing, laughing and being swept off her feet. 60 years on, June still smiles at the memories of the Dance Hall.**

**She now lives in a residential home; she is frail and finds it difficult to be understood. June needs support from someone who can still see the person who laughed, danced, loved and cried.**

### **Could you Volunteer to support a person like June?**

- **Ensuring the persons care and support is right for them**
- **Make a difference to someone's life**
- **Regular visits to people for around an hour once every 4 weeks**
- **Work in your local area - in person or via video call**
- **Free Training and ongoing support from our volunteer team**
